CINCINNATI – Fifth Third Bancorp (Nasdaq: FITB) and Franklin Street Partners, Inc. jointly announced today the signing of a definitive agreement under which Fifth Third Bank will acquire Franklin Street Advisors, a registered investment advisory firm, and Franklin Street Trust Company, a North Carolina trust company, both wholly owned subsidiaries of Franklin Street Partners.

Franklin Street Partners was founded in 1990, and provides complex wealth advisory services, separate account management, estate planning and settlement and other advisory services.

“Fifth Third has long admired Franklin Street’s well-respected and highly recognized brand in North Carolina,” said Brian Lamb, executive vice president and head of Wealth and Asset Management for Fifth Third Bank. “This acquisition allows us to leverage the incredible talent at Franklin Street and their expertise working with high net worth and ultra-high net worth clientele. The opportunity supports our goal to strategically grow our wealth management business, build upon our existing presence in North Carolina and add capabilities such as the firm’s professional athlete advisory services.”

The wealth advisory practice will continue to operate under the Franklin Street brand and will remain in its current Chapel Hill office. Bob Newell, CEO of Franklin Street Partners, will continue to lead the firm.

“We look forward to a bright future with Fifth Third,” said Newell. “Our employees are excited about being able to offer an expanded range of services that complement our current capabilities to help clients manage family wealth and navigate generational wealth transfers.”

The transaction is subject to regulatory approval and is expected to close by the end of the year. Fifth Third was advised by Cambridge International Partners LLC and Alston & Bird LLP. Franklin Street was advised by Banks Street Partners LLC and Ward & Smith, P.A.
